

Drs Richard Bowers and Ivan Baumwell are excited to announce that **Tadhg Schempf, M.D.** has joined **Sewickley Eye Group**

Dr. Schempf completed his residency in Ophthalmology and his Fellowship in Glaucoma at The Vision Institute of UPMC. His interests are in complex glaucoma and refractive cataract surgery. He will direct the Glaucoma Service at Sewickley Eye Group.

Dr. Schempf grew up in Fox Chapel and was a National Merit Scholar who attended the Honors College of The University of Pittsburgh. He graduated 1st in his class from NYU School of Medicine and then completed his Ophthalmology and Glaucoma training

at UPMC. Dr Bowers said, "He has a wonderful bedside manner and always has a smile for his patients. He is the perfect addition to Sewickley Eye Group."

Sewickley Eye Group
